

**[Awards Upgraded!] Join the Barrier-Free Campus Design Competition to win Apple Store Gift Cards & Internship Opportunity!**

Dear Students,

**No people are with obstacles but environments.** Student Disability Support Services of the Office of Student Affairs invites you to feel for the position of students with special educational needs (SEN) and design a tool to support their university life!

Thinking only students who are proficient in technology can join the competition? Of course NOT! Designing a “University Popular Slang Dictionary” for students with autism or proposing a brand new and relaxing style for revision corners in libraries can also be the ideas. Let’s make use of your observation and creativity to grasp a chance of winning Apple Gift Card with total values over HK\$20,000 as well as internship opportunities!

<b>Champion:</b>	Apple Store Gift Card HK\$9,000 and a trophy #
<b>1st runner-up:</b>	Apple Store Gift Card HK\$6,000 and a trophy #
<b>2nd runner-up:</b>	Apple Store Gift Card HK\$4,000 and a trophy #
<b>Most Considerate Design for Students with SEN:</b>	Apple Store Gift Card HK\$2,500
<b>Most Popular Design (to be voted by audience of the Presentation Day):</b>	Apple Store Gift Card HK\$2,500

**# Apart from the above prizes, winning teams can have internship opportunities related to SEN. The Office of Student Affairs can nominate interested students to relevant organizations.**
