

[CUHK OAL] Give Back to the Community and Join the Foodstep Journey Education Programme on Friday 1 November

Dear students,

Have you ever realized that food wastage and elderly poverty are some pressing issues in Hong Kong?

We would like to invite students to take part in the education programme – Foodstep journey, organized by a non-profit organization ([Food Angel](#)), to understand these issues. Participants will gain hands-on experience in reproducing hot meal for the people in need.

Food Angel is a sustainable Food Rescue & Food Assistance Programme launched in 2011 by Bo Charity Foundation with the mission of "Waste Not, Hunger Not, With Love". Food Angel is committed to recovering edible surplus food from different sectors of the food industry in Hong Kong. The reproduced food would be distributed to serve the underprivileged communities around Hong Kong. It is Food Angel's mission to raise public awareness to cherish food and care for the community.

Join the "Foodstep Journey" education programme to give back to the community! This programme is open to all CUHK undergraduate students and incoming students.
