60th Anniversary of CUHK Fund-Raising Orienteering Relay Competition cum Exhibition Booths

Base:

University Sports Centre

Format:

120 minutes College Team Orienteering Relay on CUHK Campus

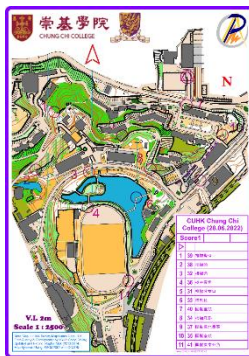

Team Size:

Team from same college with 10-15 members

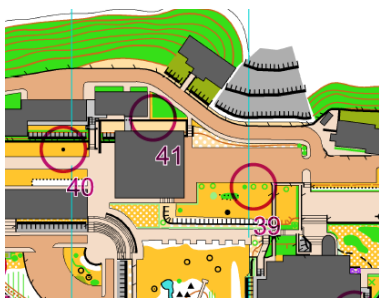

Introduction:

Each team will be given a coloured orienteering map showing the CUHK campus before start. Ten main control points are indicated on the map with secret missions and a variable number of extra control points. Participants are required to visit as many control points as they can. They can attain score upon the completion of secret missions or the visiting of bonus control points. The college attains the highest score within the time limit is the winner.

Map Sample:

Control Points:

Control points shown on map

Control point on the ground

Prizes:

Trophy is awarded to the champion team and finisher medals are awarded to all participants who complete the race.

Rules:

- 10 main control points with secret mission locate in all 9 colleges and the main campus
- Unknown number of extra bonus control points

- Time limit: 120 minutes
- Complete all missions at main control points and punch as many bonus control points as possible
- 5 chances are given to each team for sending members out to the CUHK campus
- 2-3 members can be sent out each time per team to search control points

Live:

Live stream will be provided at the base. Participants are able to estimate the progress of their team.

Weather:

If Amber Rainstorm Signal, Typhoon Signal No.3 or above is hoisted at 07:00 on the race day, the organizer will announce on the webpage to confirm whether the race will be held as usual. If the organizer decides to postpone the race, or has other arrangements, details will be announced on the webpage.
