Reminders on Student Discipline

Disciplinary Committee

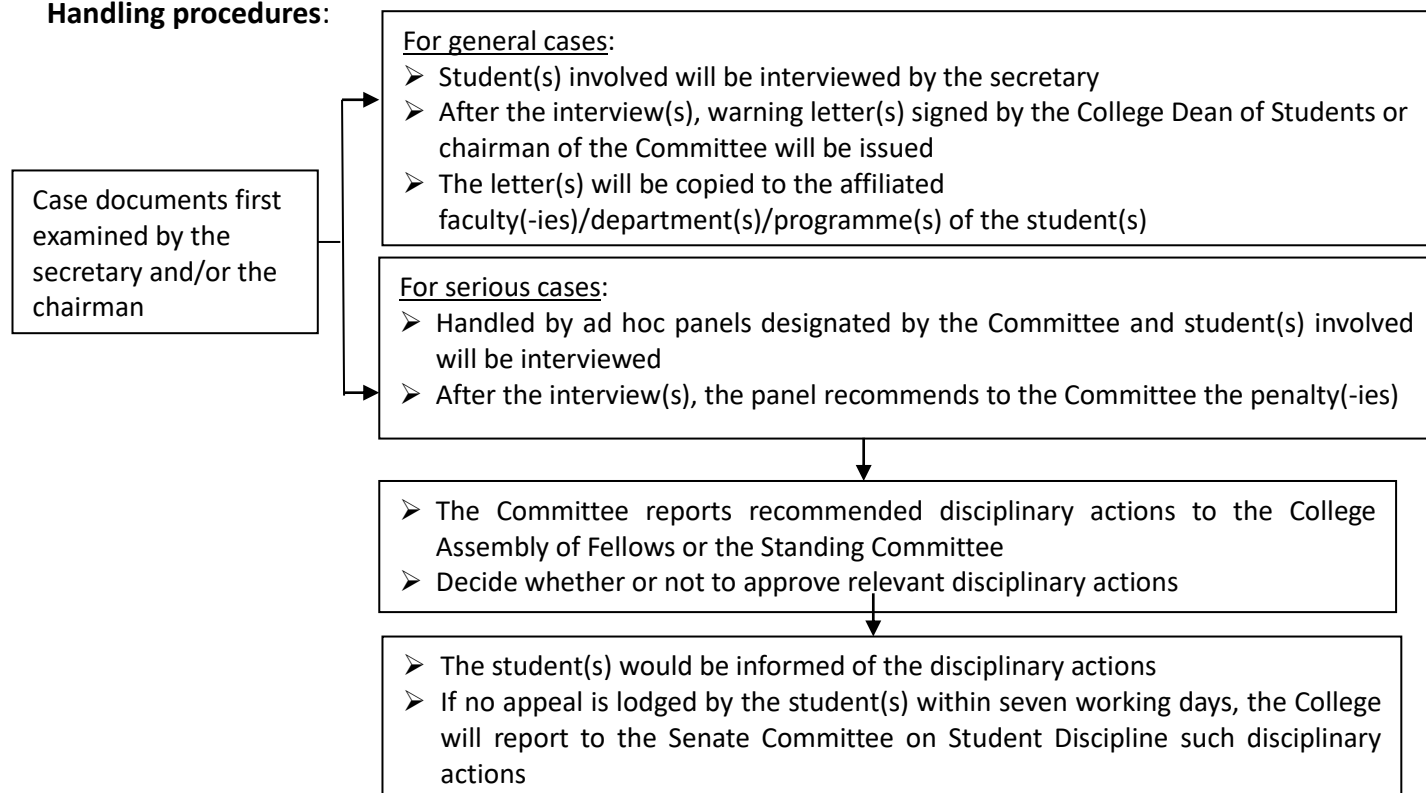

1. Shaw College Disciplinary Committee (hereinafter “The Committee”) is a committee under the Assembly of Fellows.
2. The Committee is chaired by a senior teaching member and members of the Committee include teaching staff, college representatives, warden representatives and student representatives.
3. The terms of reference of the Committee include 1) to formulate policies and consider matters relating to student discipline and 2) to recommend to the Assembly of Fellows disciplinary action relating to student discipline.

Disciplinary Cases and Handling

Type of cases:

1. “Non-academic”: incidents occurred in college (including student hostels), and cases referred by other colleges or University units involving students of Shaw College
2. “Academic”: cases related to college general education courses

Handling procedures:

Examples of Commonly Committed Offences

Below is a summary of some commonly committed offences, however cases varied in nature and gravity and cannot be fully listed. In general, the Committee first makes reference to the University’s **General Regulations Governing Full-time Undergraduate Studies**:

Misbehaviour	Penalty (demerits and other penalties)
Illegal transfer of student hostel places without prior approval by wardens or selling of student hostel places	1 demerit or more
Using another person's identity document (e.g. CU Link) or impersonation (e.g. for entering student hostel, joining activities organised by the College)	1 demerit or more
Lending identity document to another person	1 demerit or more
Damage of public property and order	1 demerit or more
Plagiarism in written assignment of college general education courses	1 demerit or more and a zero mark to relevant assignment
Theft	1 demerit or more

Alteration of system devices for air-conditioning or laundry, or use of the said system in student hostels to enjoy free or reduced charges for air-conditioning or laundry	1 demerit or more

Hurting others' bodies	2 demerits or more
Forgery of documents / Falsification of signature / False statutory declaration	2 demerits or more
An offence of an immoral, scandalous or disgraceful nature of which the student has been convicted in any court of law	2 demerits or more

****Where conduct may contravene Hong Kong law, for example, forgery or theft, the matter may also be reported to the relevant law enforcement authorities where required by law or where the University considers such reporting necessary. University disciplinary action does not preclude investigation or action by law enforcement authorities.***

1. There are two types of demerits, removable (to be removed after a certain period of time or by the time of graduation) and non-removable, to reflect the gravity of misbehaviour.
2. It is noted that students are usually imprudent and do not realise the serious consequences of their misbehaviours. They can only regret when it is too late.
3. Students are therefore reminded that demerits are recorded on their transcripts and their application for scholarships, exchange and other student development programmes, student hostel places, etc. will be affected. Demerits on permanent record will affect their future studies and career.
4. According to the **University's General Regulations Governing Full-time Undergraduate Studies**, a student who has been given a total of 3 demerits (including those imposed by college, department and other units) may result in termination of studies at the University.
