**Recruiting First-Year CUHK Students for study on Student and Family Adaptations to University Life
– HK\$450 to each volunteer**

[Relationships and Emotions in Adolescent Life \(REALife\) Lab](#) at The Chinese University of Hong Kong is seeking student and parent participants for a study on life changes during students' first year of university. The study lasts for one academic year, and includes comprehensive surveys at the beginning and end of each term, as well as short questionnaires every two weeks. All surveys are completed **on your mobile phone**.

You are welcome to participate if:

1. You are an **entering, first-year university student** at CUHK.
2. You have attended your final two years of high school in Hong Kong.
3. Your mother is available and willing to participate.
4. Both you and your mother have access to smart devices (i.e. smartphone/ tablet), and can complete questionnaires in the 2020-2021 academic year.

Participants will receive:

1. A personalized, graphical record of your answers, showing how you changed during this major life transition.
2. A total of HK\$450 (HK\$50 for each comprehensive survey, HK\$20 for each bi-weekly survey, and a HK\$50 bonus for completing the entire project).
3. A summary of the project's major findings.

Kindly register for the study via the QR code or the following link:
