## **Shaw College Toastmasters Club Member Recruitment**

Whether you are new to public speaking, have prior experience and aspire to learn more, or simply looking to make new friends, it is in our best interest to welcome you to our club! We promote a fun, casual, yet stimulating learning environment. We offer training, an extensive curriculum, and opportunities to compete in local and international tournaments if you feel up for the challenge.

We have expansive access to the Toastmasters network as a college club, connecting us to hundreds of clubs across the bay area. Here, at Shaw College Toastmasters Club, we present the opportunity to expand and diversify your social network by engaging in joint meetings and visiting other university clubs and corporate-based ones like Morgan Stanley and JP Morgan.

Suppose you are interested in developing leadership; the college and Toastmasters organization recognizes the role of club officer and pathway project completions to facilitate the leadership skills you wish to practice.

To get to know you a little better, please consider filling in this google form with the details on the membership procedure included: <https://tinyurl.com/54dazwd4>. We are open for application now, and membership applications will be accepted until the deadline of Thursday, 30th September.

If you have any inquiries regarding club membership, do not hesitate to contact us via email and follow our socials to keep updated on upcoming meetings.

We hope you will consider joining us, and we look forward to seeing you all soon!
