

## HK's First University-wide Co-operative Education Programme

### Work Placement - Full Time, Full Credits & Full Pay

Dear Students,

Launched in July 2021, Co-operative Education Programme ([Co-op@CUHK](#)) is a well-structured education programme combining **classroom-based education** with **practical work experience** through the provision of full-time career opportunities. Both **local and non-local students of year 2 or above are eligible** to join this Programme. Participating students will take two preparatory courses for the school-to-work transition, with content including personal branding and networking for career success. They will then be challenged to apply their knowledge and skill-sets during the two-term work placement which will last for six to eight months. It is believed that through our Programme, Co-op students can pick up technical knowledge as well as essential soft skills, and expand their professional network, thus increasing their employability upon graduation.

Application for the third cohort (Year 2023-24) is now open and two info sessions are to be held to walk you through the details. Please note the following details,

Date:	7 Sept (Thu)	13 Sept (Wed)
Time:	6:30pm to 7:30pm	4pm to 5pm
