Contents 內容	<p>In the comfort of your home, in this 5-session online workshop, you can:</p> <ul style="list-style-type: none"> - learn from the errors made by amateur writers: avoid making the same mistakes in your writing by discussion of sample sentences and writing in class - enhance both your grammatical foundation and communicative competence in a fun way with a number of examples and in-class activities - write like a native: expand your vocabulary and learn frequently used idiomatic expressions when communicating in a professional setting (useful for everyone that hopes to improve their writing proficiency, not only business majors) 	<p>It provides an intensive preparation for the IELTS (Academic) test covering listening, academic reading, academic writing and speaking modules. This workshop focuses on identifying strategies and enhancing English language skills for academic purposes to gain maximum advantage in the IELTS (Academic) test.</p> <p>Session 1: IELTS (academic) overview; listening skills Session 2: Speaking and interviewing skills Session 3: Academic reading skills Session 4: Writing skills (academic writing task 1) Session 5: Writing skills (academic writing task 2)</p>	<p>This 8-hour workshop aims at teaching students the essential English language skills and speaking strategies to maximise their score in the IELTS speaking test. Students will be given opportunities to try real examination questions and practise their speaking skills.</p> <p>Session 1: IELTS Overview + Part 1 of the Speaking Test Session 2: Part 2 of the Speaking Test + Practice Session 3: Part 3 of the Speaking Test + Practice Session 4: Final Practice + Final Reminders</p>	<p>This workshop aims at helping students to train their undeveloped verbal area: Interpreting. There will be a wide variety of fundamental hands-on practices and interactions in the class. Students can get started with no experience. Upon completion, students are expected to improve their interpreting skills, listening skills and speaking skills.</p> <p>Session 1:</p> <ul style="list-style-type: none"> - Voice Projection exercises for interpreters (how to speak clearly and with good volume) - Introduction to interpreting <p>Session 2:</p> <ul style="list-style-type: none"> - Note-taking skills - Videos Interpreting (1) <p>Session 3:</p> <ul style="list-style-type: none"> - Simultaneous Sight Interpreting - Role-playing Interpreting <p>Session 4:</p> <ul style="list-style-type: none"> - Attentive listening - Videos Interpreting (2) <p>Session 5:</p> <ul style="list-style-type: none"> - Interpreting as a CUHK student helper - Revision and Suggestions for professional training
