

## Shaw College Global Exposure Award Scheme

### 1 OBJECTIVES:

- 1.1 To encourage students' participation in short-term academic programmes outside Hong Kong to broaden their horizons and develop their international perspective.

### 2 ELIGIBILITY:

- 2.1 Shaw students from any disciplines and year of studies are eligible to apply for the scheme.
- 2.2 The scheme subsidises students to participate in short-term academic programmes outside Hong Kong **which are organised or referred by the University**, such as attending conferences, competitions, study tours, field trips, voluntary services, language programmes, short-term exchange programmes and internship placement, etc.
- 2.3 Students participating in exchange programmes for **one term or longer** are not eligible for this scheme. These students may apply for the CUHK Student Exchange Financial Aid and Scholarship Scheme administered by the Office of Academic Links of CUHK.

### 3 SUBSIDY:

- 3.1 The College has discretion to decide the number of approved applications and respective amount of approved subsidies, subject to the financial status of the College.
- 3.2 Successful applicants will normally receive subsidy no more than half of the lowest direct transportation cost in the market between Hong Kong and the destination city of the programme concerned. (The maximum amount of subsidy could be 75% of transportation cost for applicants whose cumulative GPA reaches 3.5 or above or who had proven financial need.)

All journeys inessential for the participation of the programme mentioned in point 2.2 above will not be subsidised. The College reserves the right to adjust the subsidy amount of an applicant without further notice.

- 3.3 Students attending conferences would be granted extra subsidy to cover registration fee. The maximum of the grant would be capped at HK\$4,000. Priority would be given to students who would present at the conferences.
- 3.4 Amount of subsidy approved may be determined by the following criteria:
